

1L Diversity Fellowship 2022

About the Stoel Rives 1L Diversity Fellowship

At Stoel Rives, we believe that a more diverse law firm is a better law firm. Increasing the diversity of our workforce helps us to be better legal counselors and problem solvers.

We continually look for ways to increase the quality of our firm by increasing the diversity of our firm. This is reflected through our partnership with *Diversity Lab*, as one of five founding *Move the Needle Fund* firms and in our certification under the *Mansfield Rule*, reflecting our dedication to recruiting, retaining, and advancing attorneys from underrepresented groups.

Our desire to diversify our workforce also extends to our next generation of lawyers. In 2022, we are excited to offer three **1L Diversity Fellowships** to law students in the following markets:

- *Minneapolis, MN*
- *Salt Lake City, UT*
- *Seattle, WA*

Fellows will receive a paid 1L summer associate position + a \$15,000 academic scholarship for their 2L year.
